

LEO STRAUSS  
Man of Peace

Robert Howse

CAMBRIDGE

The Herzl Institute will host  
**Professor Robert Howse**  
of NYU Law School

for a discussion of his new book,

**LEO STRAUSS, Man of Peace**

on Tuesday, December 16, 2014, at 10:00am.

“This book has a distinctive and original take on Strauss and falls outside any of the standard Straussian or anti-Straussian orthodoxies. It may please no one, but Howse is one of those rare authors willing to take Strauss seriously as a thinker, but not afraid to question his legacy”

—Steven Smith, *Notre Dame Philosophical Reviews*.

The lecture will take place at  
**The Herzl Institute, 5 Wyndham Deedes Street, Jerusalem.**

*A light lunch will follow the discussion.*

Please RSVP to Meirav Jones by December 9, [meiravj@herzlinstitute.org](mailto:meiravj@herzlinstitute.org)
